# 4-Week Carpool Rotation

Who drives which day, a month at a time.

Carpool \_\_\_\_\_

Write a driver's initials in each box, morning on top and afternoon below. Need a swap? Cross out the old initials and write the new ones, so everyone can see the change.

## DRIVER KEY

Seats = how many kids fit, with car seats or boosters counted.

| Initials | Driver | Phone | Seats | Days they can't drive |
|----------|--------|-------|-------|-----------------------|
|          |        |       |       |                       |
|          |        |       |       |                       |
|          |        |       |       |                       |
|          |        |       |       |                       |
|          |        |       |       |                       |

## WHAT WE AGREED

Sick days, running late, holidays, who covers when a driver can't.
